12-MONTH PROGRAM

Kelly, graduate

Getting help for addiction isn't easy

Getting help for addiction isn't easy. It takes courage, determination and a willingness to admit you can't do it alone. Adult & Teen Challenge is a Christian organization that offers a long term residential program for those who are struggling, and it may be the place for you. We teach biblical principles as a solution to life-controlling issues, and the 12-month discipleship program includes academics, mentoring, life-skills training, work therapy, recreation and spiritual disciplines. Structured and intense, we seek to break the stronghold of addiction and help develop men and women of excellence.
